RESPONSE TO OFFICE ACTION

Commissioner for Patents
Alexandria, VA

Dear Sir:

The Office Action dated July 31, 2008 examines the wrong claims, refers to arguments that are no longer being made, and appears to be an obsolete copy of an Office Action filed in January 2006 - prior to the appeal that resulted in the Board's reversal of most of the grounds of rejection appealed from and their levying new grounds and an invitation to reopen prosecution, which Applicant did in a paper dated March 31, 2008.

Respectfully submitted,

John L. Rogitz
